Finding Solutions

By Brandon Henriquez

Website Design Package

Website Design Package

Welcome to exploring different avenues for your website. I focus primarily on organization, scheduling content, and outreach. With this package comes the creation or maintenance of the said website as well as specific integrations made at any given time.

- Color scheme, theme, and grammar
- Proper representation of organization through illustration, industry, and online ecosystem
- Functionality, such as payment processors, source to other media, and user-friendly software

The next slide will demonstrate a before and after example

Before

- Link and update socials

Welcome To Redemption Road
Reaching/Restoring/Equipping/Sending

- Busy and off-centered title

After

Welcome To Redemption Road!

Reaching/Restoring/Equipping

Spelling, Messaging, Punctuation

Of course, what good would a website look if you couldn't read it? I also will make sure it is eligible.

I'll even take it a step further.

Not only will I correct all grammatical errors, I can also revise and organize your message for simple understanding and clarity.

I'm New Here?

Here some frequently asked questions

Redemption Road Ministries is always excited to welcome new guest.

First off thank you for taking the time to check out our church. When arriving you'll be greeted by our awesome Greet Team & Ushers under the big grey Welcome Tent. They'll be happy to give directions & answer any questions. Someone will help you find our nursery & kids church for your kiddos. They will also be thrilled to answer any questions, pray with you & help you find a seat. Our greeters are available to you before, after & even during our services to assist you with any questions or concerns.

Be sure to hang around after the service & meet our Pastors & all the amazing people at RRM. We'd love to get to know you.

Fill out a visitor's card & receive a free gift as a thank you for worshipping with us.

I'm New.

Hello and welcome. First and foremost Redemption Road Ministries is always excited to welcome new guests! For a bit of insight about us here are a few frequently asked questions about our church.

1. What if I don't know my way around?

You're new and that's great, we wouldn't expect you to know when and where. When arriving you'll be greeted by our awesome Greet Team and Ushers under our big grey Welcome Tent in front of our building. Our greeters are available to you before, after, and even during our services, to assist you with any questions or concerns.

2. Do you have a church for kids?

Yes, we do and we can help you find your way too. Our nursery church for your kiddos is open on Sundays at 11:30 am and ends at 1:00 pm. The pastors and staff will also be thrilled to answer any questions you may have, pray with you, and help you find a seat for the little ones.

3. How can I introduce myself and get connected?

Just say hi, we're really friendly! Also, be sure to

Proper Representation

When choosing the “Website Design Package” clients have the option to take advantage of the “Signature Photography” feature.

- This option brings life to your website with real moments captured from yours truly
- The next slide will demonstrate a before and after example

Prayer

- Blank canvas

We believe in prayer. Without prayer we are left defenseless. So we make prayer a priority at Redemption Road.

We have a Tuesday Night prayer & worship service every week at 7pm

Before & after every service the altars are open to all for prayer time. Whether you desire to pray alone or you need special prayer and would like one of our Pastors or an Altar Worker to pray with you, our altars are open to you.

The building & altars are open 20 mins early before each service to give you a chance to come & pray if you would like.

Also our Pastors, ushers & prayer partners are always willing to pray for & with you before, during, or after every service.

We believe in the laying on of hands & anointing with oil but you prefer to not be touched we are still more than happy to pray for you at a distance.

There is a prayer box at the greet team table where prayer request can be placed for Pastor & his team to agree with you in prayer throughout the week.

Prayer

We believe in prayer. Without prayer, we are left defenseless and so we make prayer a priority at Redemption Road.

We have a Tuesday Night prayer and worship service every week at 7:00 pm.

Please note, twenty minutes before and after every service the altars are open to all for prayer time. Whether you desire to pray alone or you need special prayer and would like one of our Pastors, altar workers, or ushers to pray with you, either is welcomed. Our altars are open to you.

We believe in the laying on of hands and the anointing with oil, however, if you prefer a contactless experience we are still more than happy to pray for you at a distance.

There is also a prayer box at the greet team table where prayer requests can be placed. Only the Pastor and, or his team will read and pray the request throughout the week.

Functionality

Functionality is the range of operations that can be run on a computer or other electronic systems.

This means any action on a website, every click that has a function could and should work, wouldn't that be a perfect world?

No worries I got you covered. All efforts and service of adding or subtracting to your site will be handled by me and any other registered admins.

Now many times, we get frustrated when technology isn't working after we feel we've done all we can to fix it.

When it comes to straightforward action 9/10 it's a small component, we've mistaken.

If anything, more is required, I contact whichever domain support team is incorporated with the site and figure out a solution there.

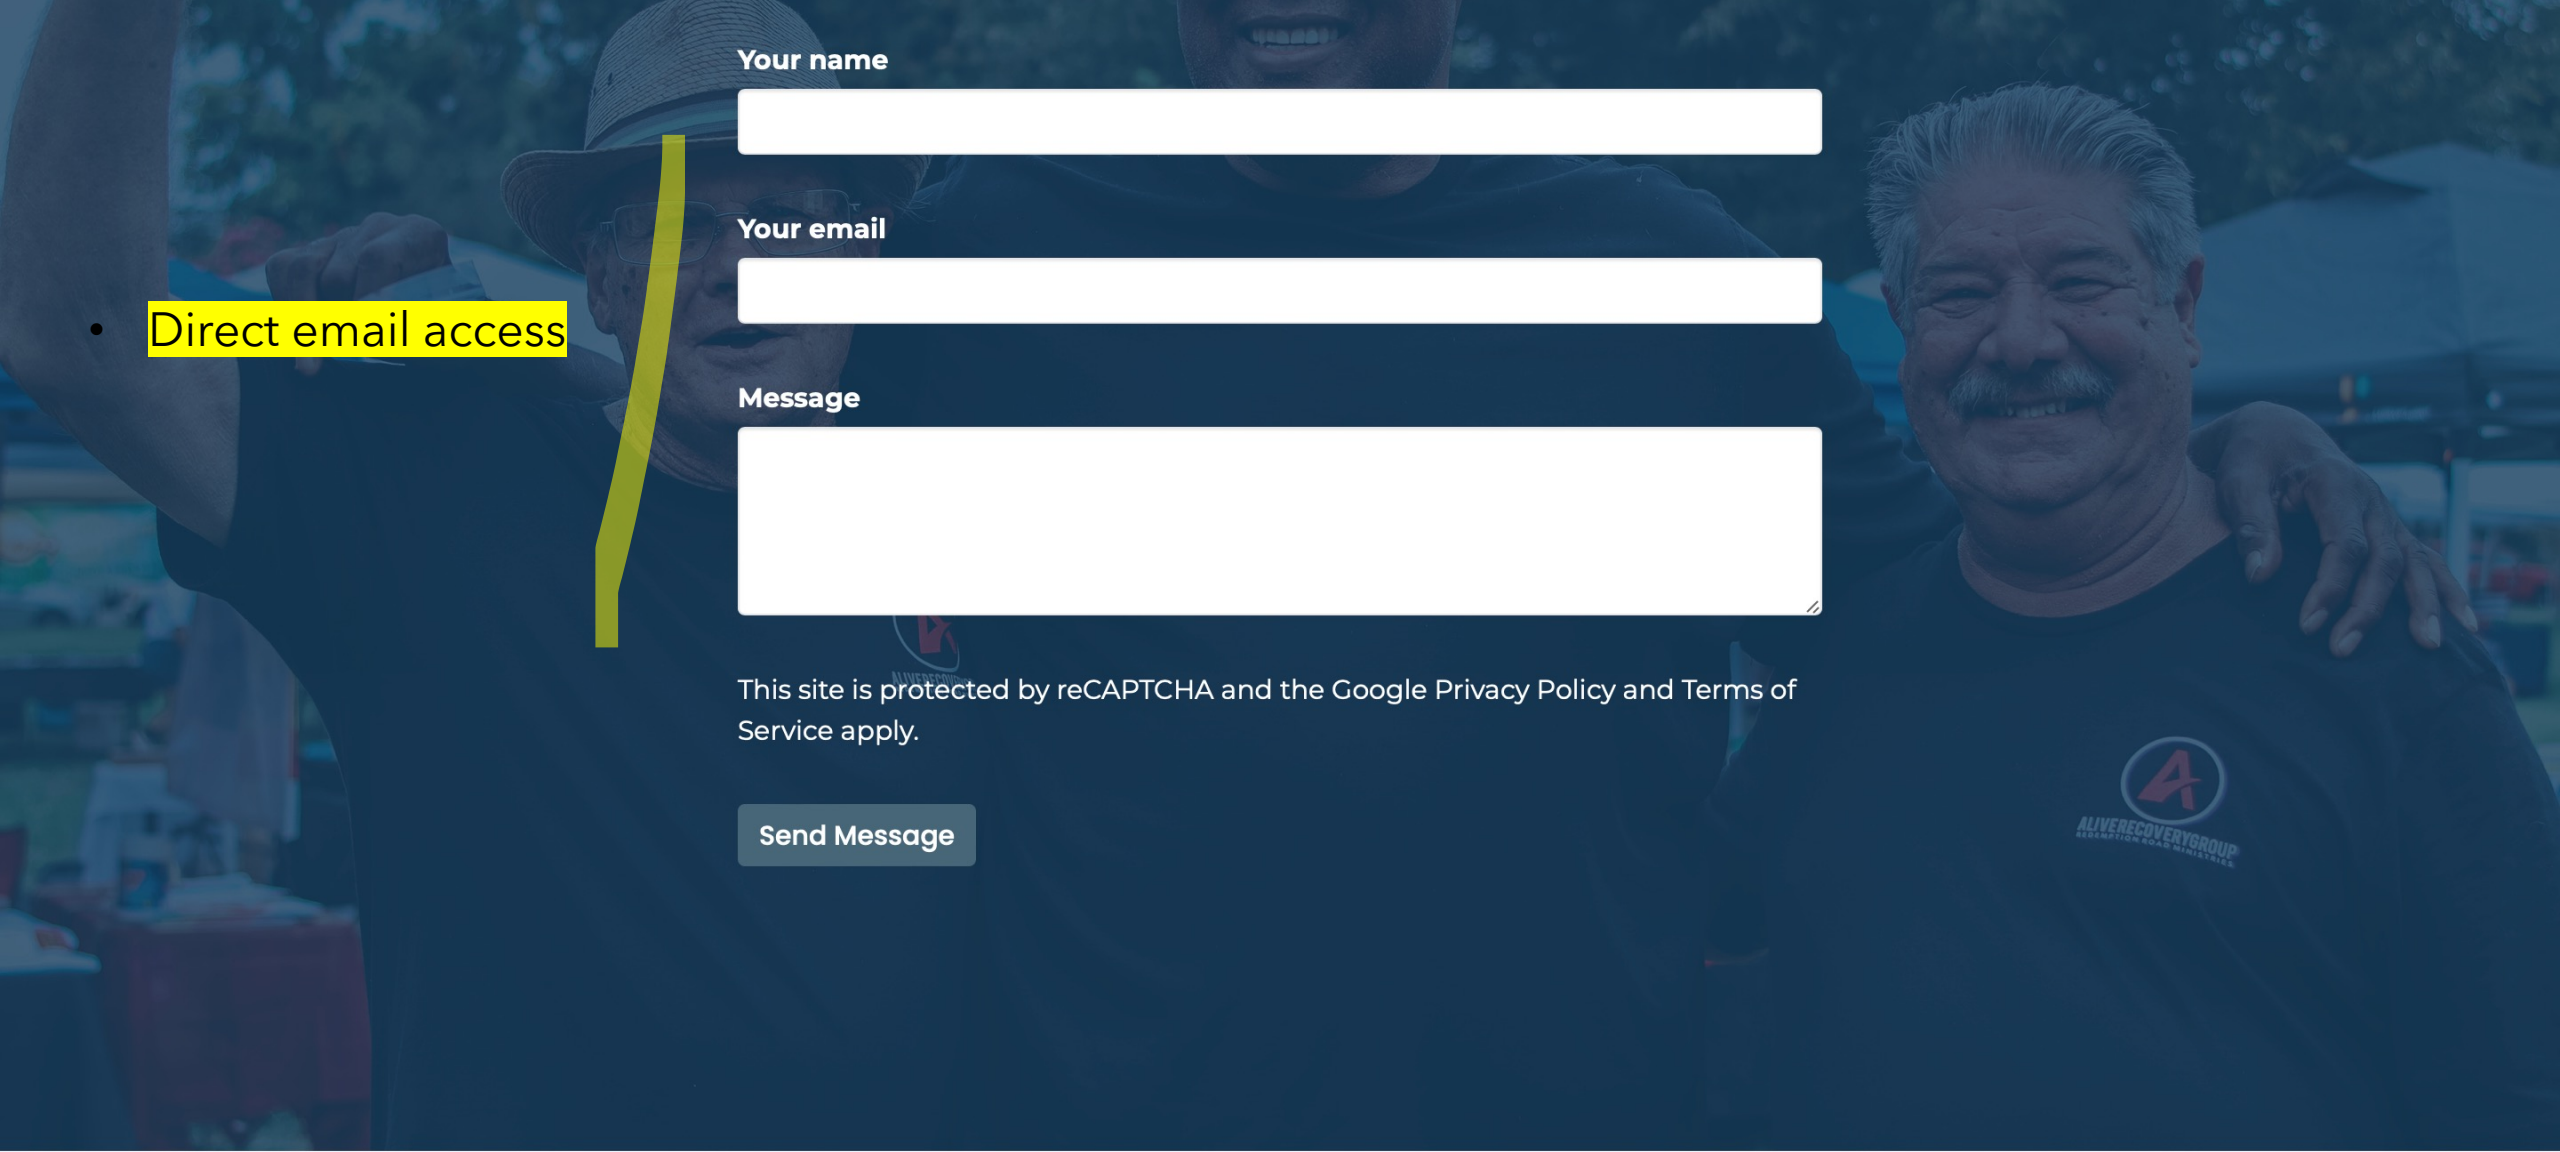

Ways to start and stay connected

Earlier we saw connecting, popular media to the home page such as Meta/Facebook, Instagram, Twitter, etc. which absolutely is what we're talking about.

Another form of communication includes establishing direct email capabilities for messaging directly on the website.

Also, if your software allows or you care to purchase, a business newsletter to stay automatically updated never hurts.

Finally, the next slide will show examples in detail.
